### Product description

**These chess pieces of a Medieval design have been made from plastic and they are packed in a polybag as an economical set. With a 96mm King this set is ideal for our folding plastic and vinyl roll-up chess boards with square size of 55mm. Thanks to felt pads on the bottom these pieces glide across the board nicely. They are available in cream/black colour.**

**HEIGHT OF KING: 96 mm**

**MATERIALS USED FOR CHESSMEN: plastic (unweighted)**
