Product description

This beautiful model of chess pieces commemorates the great Elvis Presley. The pieces can stand up to the most luxurious models of Indian pieces. The silhouette of the jumper is a true masterpiece. The great attention to detail and precision of workmanship are astonishing. The figure of the king also enchants with its appearance, and it is worth noting the unusual cross that has been drilled in the centre. All the chess pieces in this set are characterised by their extraordinary appearance and the precious materials used in their manufacture give them an extraordinary shine. These are true jewels in the hands of connoisseurs.
