### Product description

**The DGT1006 Backgammon Clock** is not only ideal for playing Backgammon but is also great for a wide range of games such as Chess, Checkers, Poker, Scrabble™, Lost Cities, Party & Co, Dominoes, Boggle, Settlers, Carcassonne, Trivial Pursuit, Monopoly or any other two-player game. Simply switch it on, set the game time as desired and start the timer.

With its handy top buttons and large display, the **DGT1006 Backgammon** timer is very easy to program and intuitive to use. It features a timer with one period and a special delay function! During the delay, the timer will not count down for either player. Once it is over, the clock will start counting down the time.

**Runs on one AA battery (included) and comes with a 2-year warranty.**

As **General Distributor** of **DGT** products, we operate the fastest warranty service for electronic chess clocks. A new clock is dispatched upon receipt and inspection of the advertised (sent back under warranty) product.
