Product description

A beautiful, undersized set combining two of the most popular strategy games of Chess and Checkers. The folding case, measuring 35 x 17.5 x 4.5cm, has a burnt 64-field chessboard on the outside suitable for both chess and checkers. Inside, the case has felt-lined compartments: two larger ones for holding chess pieces and an additional one for checkers pucks. Both the pieces and the checkers discs are made of beautiful cherry wood.
