### Product description

Traditional Polish chess made in the timeless "royal" style. Medium size - the case measures 35cm.

Particularly noteworthy are the pieces of the king and the hetman - specially cut out and decorated with decorative elements - balls and a cross.

The chess pieces are made by hand from sycamore.

The chessboard is made by firing with hand-painted fields.

Sets in colours other than brown are available by special order only. Please ask for their availability in the shop.
