### Product description

The Royal Maxi chess set is one of the most popular and best-loved sets in our amateur chess range. Due to its dimensions, the set can be used as a travelling set. The beautiful pieces are made of beech and hornbeam wood. The fired, folding chessboard is provided with a red figure insert. As standard, the set is available in brown. The carved chess set is a very tasteful yet clever gift for communion or children's day. This model of chess is popularly bought as a gift for father's day or grandfather's day.
