### Product description

The Senator model is very popular in our offer of amateur and decorative chess sets. The figures represent the classic Staunton style, making the set perfect for both beginners and experienced players. Simplicity of form goes hand in hand with elegance.

The weighted figures made of hornbeam and sycamore wood are characterized by a mixed style of royal and Staunton figures.

The medium-sized burnt foldable chess board has a piece insert inside. SENATOR chess was designed with users in mind. A chessboard of optimal size and pieces with ergonomic shapes make the game smooth and comfortable.

This chess set is also a great gift idea. The original appearance of the set and high quality of workmanship will certainly delight every chess enthusiast.
