### Product description

Tournament Chess Set No. 5 is a perfect combination of functionality, elegance and solid workmanship.

Tournament chess set No. 5 - 50mm board + 3.5" French pieces

The board is made of high-quality wood, ensuring durability and elegance. Its dimension of 50 mm is a standard size, meeting tournament requirements and enabling comfortable play.

The figures, modeled on the classic French Lardy set, are 3.5 inches (approx. 8.89 cm) tall. Their careful finishing and precise details make them both aesthetic and functional.

The set meets all requirements of the International Chess Federation (FIDE) rules, making it ideal for use in official tournaments.

For both experienced players and those just starting their adventure with chess, this set is an excellent choice. Its versatility makes it suitable for both tournament and recreational play.

#### Engraving

is a way to add a personal touch to your chess. Add initials, a special date or a short quote to make the set unique.
