### Product description

Luxury demonstration magnetic chessboard to hang on the wall.

Dimensions 80 x 80 cm

The chess pieces and chessboard are made of wood.

Two magnets are hidden in each chessboard field so that the figures stand perfectly in the middle.

The figures, fields and frame are made of American walnut and ash wood. These materials have been carefully selected to make the compositions on our

chessboards look their best. The same dark wood is used for the dark figures, fields, descriptions and frame. The colour of the American walnut

The colour of American walnut is naturally deep, which is particularly visible on the frame and figures. This contrasts with the light ash wood, which has a rich and interesting grain and texture.

rich and interesting grain and structure. The use of wood makes each chessboard absolutely unique.

Product made to order.

Waiting time: 1-2 pieces (available), 3-5 pieces (2 to 8 weeks), more than 6 pieces (contact us to arrange a date)

The frame visible in the pictures is not part of the set and can be purchased separately in our chess shop
