Product description

Mini Magnetic Chess is ideal for those who like to play on the move, its size allows it to fit easily into a bag or backpack, and the magnetic figures make it comfortable to play in a travelling environment.

The wooden case is covered in a blue stain with the chessboard printed in a light cream colour.

The figures, made of hornbeam wood, have a classic Staunton style. Alphanumeric notation has been placed on the edges of the chessboard.

Magnetic chess is a great gift idea for any occasion.

An engraving service for any logo or wording is available for all our wooden cases and chests [Engraving](#)
