Product description

The Tournament chess is the only one considered a professional chess set. This is the smallest one from our range of the Tournament sets. It goes with the weighted chess pieces from our Olympic set CH122. They are made from hornbeam wood. The lovely folding chess board has been inlaid with mahogany and sycamore wood. It has an insert tray for the chess pieces storage inside. Also in this set there are a double queens, the insert has additional places for this pieces.
