Product description

These No 4 chess pieces have been offered with wooden box as a set. With a 80mm King this set is ideal for our No 4 or No 4+ chess boards. The chessmen have been made from hornbeam wood and they have a slightly rustic finish off. Carefully crafted, weighted and equipped with felt pads on the bottom these pieces feel great in the hand and glide across the board nicely. The box is stained and it can be offered in natural wood colour on request as well. Chess board is not a part of the set.
