Product description

This is a very well-balanced and precisely carved classic set of Staunton chess pieces. What strikes at first glance is a knight (stallion) the ears of which are directed vertically upwards, symbolising vigilance and watchfulness his muzzle being scarcely open and his mane laying majestically on his back. The chessmen are felted which makes them move smoothly on the board. All pieces are made of boxwood. This set includes two additional queens.

HEIGHT OF KING: **3,75" = 9,5cm**

MATERIALS USED FOR CHESSMEN: **Boxwood**
