Product description

If the figure of the jumper in this model were depicted in its entirety, it would undoubtedly be a galloping steed. The slightly bowed head, erect ears, tousled flowing mane and open muzzle all point to the racing nature of the mount depicted. This is quite a rare motif among Staunton pieces, which makes this set unique. All the pieces have been made with great precision and beautifully polished by professional Indian craftsmen.

The chess pieces have been carved with great precision and beautifully polished by professional Indian craftsmen.
