Product description

**All you need to play chess in a compact box!
Perfect set for beginner players, it's ideal for first chess set!**

DGT Starter Box Blue contains: chessboard folding in two, high quality weighted plastic DGT chess pieces with king's size of 86mm and CD with chess trainer programme in 6 languages (English, Spanish, German, Russian, Dutch and French). The chessboard is made of laminated cardboard and has the following dimensions: 50x50mm.

Chess Trainer is considered a perfect method to learn chess, contains 45 lessons and 1900 exercises. It is particularly useful for beginners, but can bring profits to intermediate players too.
