Product description

The plug & play DGT electronic chess board brings you the best of two worlds. The classical game of chess finally merged with 21st century computer and internet technology.

The beautiful classic wooden DGT e-board easily connects to the USB port on your PC. With the DGT e-board you can play online at internet chess sites like PlayChess, Chess 21 and ICC. The ingenious e-board acts as input device for all major playing programs.

The DGT e-board is the ultimate chess-PC interface. It adds a new dimension to your chess fun. A typical DGT product. Innovative, designed for the real chess lover. High quality and value for money.

The giftbox comes with a special edition of the famous Fritz program.
DGT Walnut e-Boards do not have indices.

Attention: Only the board, no pieces are included!
Chess pieces are available separately
