## Product description

**This is a high quality electronic chessboard in tournament version (so called serial) which can be connected to other tournament chessboards (to connect 12 e-boards one needs 1 major wire and 11 additional wires). In order to establish online transmission the major wire is required. All accessories to electronic chessboards can be bought separately in our store.**

**The board is inlaid with maple and rosewood. It is provided with alphanumeric notation.**

**The set contains: electronic chessboard, bag for board storage, tournament bag for chess pieces storage.**

**The chess pieces can be bought separately in our store.**

**Sunrise Chess & Games company is the biggest DGT distributor in this part of Europe. We have warranty service for DGT products.**

**Ważna informacja:**

**The subject of this offer is electronic chessboard packed in black bag for its storage and bag for chess pieces storage.**
