Product description

A tournament 54 x 54 cm chessboard with notation, finished with a walnut and sycamore inlay. This chessboard has a field size of 55x55mm and is suitable for our medium and large chess pieces 3.5 ", 3.75", 4 "and Staunton No 5, 6 and 7. With German Knight 3.75 " (Timeless), we get a set almost identical to those known from the largest chess tournaments.

The board has a black border that separates the field area from the board edges.

At the bottom of the chess board there are 4 felt pads that ensure its smooth sliding and stability on a table, desk or other flat surface.

Our chessboards are professional tournament chessboards.

The chess pieces shown in the photos are not the subject of the offer and can be purchased separately (or as a set with a board) in our chess store.
