Product description

This is amazingly well-balanced model of chess pieces. The silhouette of knight should be particularly underlined due to its interesting design. Some people call it "Laughing Knight" as its muzzle is wide open as if it tried to laugh into its ennemies face. All pieces are characteristic because of its slim and detailed design.

All pieces are made of boxwood.

HEIGHT OF KING: 4" = 10,1cm

MATERIALS USED FOR CHESSMEN: Boxwood
