### Product description

**Bored with standard chess? Want to try new challenges? Stand against two armies simultaneously, make allies and roar into the battle!**

This unique chess set for 3 players constitutes a very interesting alternative to standard chess for two. Due to its small size it is considered a wonderful travel set as well. The set features nicely finished hexagonal case which is provided with compartments covered with felt lining for the chess pieces storage inside. The folding case is tricolour. The chessmen are made from hornbeam and beech wood and have black felt bases. A leaflet with the rules of the game is added to each set.
