Product description

French Staunton set is a simple and yet elegant variety of popular Staunton chess pieces. All pieces are handmade by Indian craftsmen. Their appearance, especially beautiful polished surface, make them similar to far more expensive models of chess pieces. The robust and solid silhouette of knight is very characteristic for this particular model. The size 4" correspond to staunton no 7 pieces.

All chess pieces are made of the highest quality boxwood (white) and ebonised boxwood (black).
