Product description

Tournament chess in size 5 (chessboard size 48 x 48 cm and 90 mm king height). This is the so-called 'tournament standard'. The set consists of our wooden inlaid mahogany and sycamore folding chess case and our Polish Stauntons manufactured after the popular Indian German-style chess pieces (also called Timeless - see DGT).

The pieces in this set are our answer to the superior Indian product. They are additionally weighted with metal, their surface is sanded to compensate for any imperfections.

NOTE: we do not carry out engraving on these chess pieces. As an alternative model on which we can make an engraving we suggest CH95 tournament chess

CASE/DESIGN DIMENSIONS: **48x48x2,5 cm**
