Product description

Polish outdoor giant chess pieces made by rotational molding of high-quality polyethylene. Thanks to a special production method, they are very resistant to all kinds of mechanical damage. The tallest piece (king) is 1050 mm, the smallest (pawn) 620 mm. Weight of individual pieces:

Pawn 1.5kg
Rook 2kg
Knight 2 kg
Bishop 2.5kg
Queen and King, 3 kg each

Due to the large volume, the chess pieces are shipped on a pallet (transport is priced individually depending on the place of delivery). Please contact us for a quotation.

The chessboard shown in the photos is not part of the set and can be purchased separately in our store.

ATTENTION! Made to order - no returns!
