Product description

Ever since its inception in 2008, the Grandmaster Repertoire series has produced some of the world's best opening books, but an elite repertoire with 1.e4 has always been missing – until now.

In this, the second volume of the Grandmaster Repertoire – 1.e4 series, Indian superstar Parimarjan Negi tackles the fearsome Sicilian Najdorf, presenting his own world-class repertoire with 6.Bg5. Building on a foundation of tried-and-tested main lines, the author unveils a wealth of new ideas against the Poisoned Pawn and other critical variations, making this an essential addition to the library of every ambitious player.

Parimarjan Negi is a former child prodigy who is the second-youngest player of all time to obtain the Grandmaster title. He was Asian Champion in 2012, and played on Board 1 for the Indian team which won bronze medals at the Tromsø 2014 Olympiad.
