ORAWA, - Insert tray, inlaid (intarsia)

Price	142.00 €
Availability	Availability - 3 days
Number	CH116
EAN	5902560350869

Product description

The Orawa is a truly unique chess set. The fully hand-crafted and weighted chess pieces are made from lime wood. They resemble wooden blocks to some extent. The set goes with a nice folding chess board inlaid with mahogany and sycamore wood. It has been equipped with an insert tray inside with the slots fitting very well to the cuboid chessmen. This set is available in brown colour only.
