PERSHING EBONY 4,25" chess pieces

Price	479.00 €
Availability	Available
Item code	CHI114 E425
EAN	5902560353938

Product description

The particular care and design of chessmen should appeal to every royal game connoisseur. The cross on top of the most important chess piece is very little compared to the entire king piece. The bishop has an unusually wide notch no top while the mane of knight seems to be jagged creating an illusion of its rage. Altogether the pieces look remarkably well.

Black pieces are made of ebony while the white ones are made of boxwood.

HEIGHT OF KING: **4,25"**

MATERIALS USED FOR CHESSMEN: **boxwood/ebony**
