Product description

The DGT1006 Backgammon Clock is not only ideal for playing Backgammon but is also great for a wide range of games such as Chess, Checkers, Poker, Scrabble™, Lost Cities, Party & Co, Dominoes, Boggle, Settlers, Carcassonne, Trivial Pursuit, Monopoly or any other two-player game. Simply switch it on, set the game time as desired and start the timer.

With its handy top buttons and large display, the **DGT1006 Backgammon** timer is very easy to program and intuitive to use. It features a timer with one period and a special delay function! During the delay, the timer will not count down for either player. Once it is over, the clock will start counting down the time.

Runs on one AA battery (included) and comes with a 2-year warranty.

As **General Distributor** of **DGT** products, we operate the fastest warranty service for electronic chess clocks. A new clock is dispatched upon receipt and inspection of the advertised (sent back under warranty) product.
